ADVANCE OFFER SURPLUS STOCK

WATERMELON

Though the Melon Seed Crop generally, is short this year, I am able to offer limited quantities of the sorts mentioned below, and at prices that should be attractive, for "BEST QUALITY" Seeds. Most of these seeds are in Warehouse and tested for vitality; offers of sorts not tested are subject to satisfactory vitality test, nothing offered germinating less than 80 per cent. in 4 days blotter test. All offers subject to being unsold and are f. o. b. Monticello, Florida bags at cost.
